PART II. FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (NOV 202123) (Tailored pursuant to FAR 12.302(a))

* Indicates that the clause is not tailorable.

^Indicates that the clause has not been tailored.

(a) Inspection (Tailored).

(1) In General. The Tug and associated equipment shall be subject to the Government's inspection as to suitability for the towage required under this contract prior to award of this contract and to subsequent inspections at any time during the currency of this contract to determine continuing suitability for the required services. The Owner shall instruct the Towing Vessel's Master to give every assistance so as to enable Hirer's inspector(s) to properly observe operations throughout the Tug.

(2) Hirer's Rights. If in the opinion of the Hirer's inspector any deficiency or condition exists which renders the Tug inadequate for the required service, the Charterer shall have the option to cancel this contract at no cost to the Government or to require any necessary corrective actions at the Tug's expense and to the Hirer's satisfaction.

(3) Limitation of Charterer's Liability. Except as otherwise specifically provided herein, the Charterer shall not be liable for any loss, damage, expense, cost, or liability whatsoever and howsoever incurred by the Owner or Tug or which are imposed upon Owner by operation of law.

(4) Cooperation of Master. The Hirer or designated representative(s) shall have the right at loading and/or discharging port(s) or place(s) to inspect the Tug and observe operations. The Owner shall instruct the Master to give every assistance so as to enable said representative(s) to observe operations throughout the Tug properly. Hirer's representative(s) shall not interfere with the Tug's operations. Any delay to the Tug resulting from the Hirer's inspections shall count as laytime or, if the Tug is on demurrage, as time on demurrage.

(5) Surveyors and Consultants. Surveyors or consultants, as mutually agreed, may be retained under this Hirer in order to facilitate fact-finding in respect of actual or potential claim actions or for inspections or surveys generally; the costs therefore shall be as mutually agreed and, if for Hirer's account, said costs shall be incurred only after prior written approval from the Contracting Officer.

*(b) Assignment. The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act ([31 U.S.C. 3727](#)). However, when a third party makes payment (e.g., use of the Government-wide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) Changes (Tailored). Changes within the general scope of any of the terms and conditions of this contract may be ordered by the Contracting Officer. If any such change causes an increase

or decrease in the cost of performance, such change shall be the subject of a bilateral modification to the contract. However, nothing in this paragraph shall excuse the contractor from proceeding with the contract as changed.

*(d) **Disputes**. This contract is subject to [41 U.S.C. chapter 71](#), Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at Federal Acquisition Regulation (FAR) [52.233-1](#), Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) **Definitions (Tailored)**. The clause at FAR 52.202-1, Definitions, is incorporated herein by reference. Additional definitions are listed in Part III.

(f) **Excusable delays (Tailored)**.

(1) **Excepted Events**. Neither the Tug, her Master, or Owner, nor the Charterer shall, unless otherwise in this contract expressly provided, be responsible for any loss or damage or delay or failure in performing hereunder arising or resulting from any act of God; act of war; act of public enemies, pirates or assailing thieves; arrest or restraint of princes, rulers, or people; seizure under legal process provided bond is promptly furnished to release the Tug; flood; fire; blockade; riot, insurrection, or civil commotion; earthquake; or explosion.

(2) **Reservation**. The exceptions identified in subparagraph (1) above shall not affect Owner's warranties respecting the condition of the Tug at the commencement of loading hereunder, or the Owner's obligations respecting the loading, handling, stowage, carriage, custody, care, and discharge of the cargo, or the rights or obligations of either Owner or Hirer respecting laytime or demurrage as elsewhere provided herein.

(3) **Necessary Deviation or Slow Steaming**. If the Tug during the course of the towage hereunder puts into a port or place or seeks shelter or is detained or deviates from the original route identified in Part I, Box 16, or slow steams because either the Owner or Tug Master reasonably consider that

- (i) the Tow is not fit to be towed; or
- (ii) the Tow is incapable of being towed at the original speed contemplated by the Owner; or
- (iii) the towing connection requires rearrangement; or
- (iv) repairs or alterations or additional equipment for the Tow are required to safeguard the venture and enable the Tow to be towed to destination; or
- (v) it would not be prudent to do otherwise on account of weather conditions actual or forecast; or

because of any other good or valid reason outside the control of the Tug Master or because of any delay caused by or at the request of the Hirer, this contract shall remain in full force and effect, and the Owner shall be entitled to receive from the Hirer additional compensation at the

demurrage rate identified in Box 17 for all time spent at the port or place deviated and for all time spent by the Tug at sea in excess of the time which would have been spent had such slow steaming or deviation not taken place.

becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see [32.607-2](#)).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(j) Risk of Loss - **Towing Liability (Tailored)**

(1) Any and all associated costs with the following shall be for the sole account of the Owner without recourse to the Government, provided any of the following results during the performance of services under this contract or preparation therefor from any negligence,

wrongful act, or omission of Owner or its agents, servants, employees, or subcontractors; or from any unseaworthiness, unfitness, or breakdown of any Tug, gear, or other equipment furnished by Owner under this contract: (a) injury or death of Master or crew of the Tug or captain, officers, or crew of the Tow; (b) injury or death of any person aboard the Tug or Tow; (c) loss or damage of whatsoever nature sustained by the Tug or Tow or any property aboard the Tug or Tow; (d) loss or damage of whatsoever nature caused to or suffered by third parties or their property by reason of contact with the Tug or Tow or by an obstruction created by the presence of the Tug or Tow; (e) any liability in respect of wreck removal for the Tug or Tow or in respect of the expense of moving or lightening or buoying the Tug or Tow or in respect of preventing or abating pollution originating from the Tug.

(2) Whenever the Master (or any crew) of any Tug furnished or engaged in furnishing Tug power or assistance to any vessel (which vessel utilizes or has readily available her own propulsion capacity) goes aboard said vessel, or when any licensed pilot goes aboard said vessel, said Master, crew member or licensed pilot becomes the servant of the Owner of said assisted vessel in respect of the giving of orders to any of the Tugs provided for or engaged in said services and in respect of the handling of the vessel. Further, neither those providing the Tug or pilot, nor the Tug, its Owners, charters, operators, manager, or agents shall same be liable for any damage resulting therefrom, unless said damage is caused or results from the negligence or wrongful act or omission of the Tug Owners, Hirers, operators, managers, employees, or agents of those furnishing the Tug or pilot.

(3) In all instances in which any vessel being handled by Owner's Tug sustains damage or is involved in any incident resulting in damage to vessels or property or in bodily injury or death, Owner shall secure a report from the Master or officer acting as pilot or from any licensed pilot aboard the vessel being handled. In the event of such termination, the Owner shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. (1) The Government may terminate this Contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any Contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this Contract for cause, such termination shall be deemed a termination for convenience.

(2) If this Contract is terminated while the Contractor has possession of Government goods, the Contractor shall, upon direction of the Contracting Officer, protect and preserve the goods until surrendered to the Government or its agent. The Contractor and Contracting Officer shall agree on payment for the preservation and protection of the goods. Failure to agree on an amount will be a dispute under the Disputes clause.

(3) The rights and remedies of the Government herein are in addition to any other rights and remedies provided by law or under this Contract.

The Tug's capacity, position, and other particulars as set forth in this contract are warranties by the Owner. Should the Tug fail to satisfy one or more of such warranties or other warranties contained in this section not due to the fault of the Hirer, the freight may be equitably decreased so as to return the Hirer to a position equivalent to that had the warranty not been breached, this contract otherwise to remain unaffected; alternatively, this contract may in such case be terminated at Hirer's option pursuant to paragraph (m) (Cause) above.

The Owner further warrants that the Tug shall have on board during the currency of this contract all certificates, records, or other documents required by the aforesaid conventions, laws, regulations, and requirements, including a Certificate of Financial Responsibility meeting the requirements of the U.S. Coast Guard promulgated pursuant to the Federal Water Pollution Control Act as amended and/or the Oil Pollution Act of 1990, and valid gear certificates as required. Upon delivery and throughout the currency of this contract, Tug shall be entered and maintained in the highest class of a recognized classification society.
- (4) **Complement.** The Owner warrants that the Tug shall have an efficient and legally sufficient complement of Master and crew with adequate training and experience in towage operation of all of the Tug's equipment and possess valid and current certificates/documents issued or approved by the country of the Tug's registry. The Tug Master and entire crew of the Tug shall be appointed or hired by the Owner and shall be deemed to be servants and agents of the Owner at all times except as otherwise specified in this contract. The Tug Master shall be proficient with conversational English.
- (5) **Towing Gear.** Towing bridle sufficient for the Tow identified in Box 2 shall be furnished by the Owner. Additionally, the Owner shall provide for Hirer's use, at no additional cost, all towing hawsers, bridles, winches, and other towing gear actually aboard the Tug.
- (6) **Port Restrictions.** If particular ports or places are identified in Boxes 3 and 5, the Owner warrants that a vessel of the type, tonnage, and configuration of the Tug identified in Box 8, laden as contemplated herein, shall be able to approach, lie at, and depart from said ports or places (if safe) always afloat. Any data supplied by the Owner in any RFP or this contract respecting any port conditions or restrictions are provided for informational purposes and are not warranted to be complete or accurate. Compliance with any additional and/or conflicting conditions or restrictions shall be the Owner's responsibility.

To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) Change the name in the SAM database; (B) Comply with the requirements of Subpart 42.12 of the FAR; and (C) Agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the

absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the “Suspension of Payment” paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see FAR Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor’s SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the “Suspension of payment” paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via SAM accessed through <https://www.acquisition.gov>.

^(u) Unauthorized Obligations

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any End Use License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an “I agree” click box or other comparable mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

^(v) INCORPORATION BY REFERENCE.

The Contractor’s representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(2) Towage price shall not be considered earned until the release of the Tow at the port or place of destination.

(c) **Demurrage**

(1) Rate. Demurrage shall be at the rate stipulated in Box 17.

(2) When Earned. The Hirer shall pay demurrage per running day (and pro rata for any part thereof) at the rate identified in Box 17 for all time by which allowed laytime allowed in Paragraph III(g) exceeds time on demurrage under the contract for (a) tender of the tow by Hirer at port of departure; (b) acceptance of redelivery of the Tow by Hirer at port of destination; and (c) all other Hirer's purposes.

(d) **Tow-Worthiness of the Tow**.

(2) Prior to commencement of the towage hereunder, a recognized, independent marine surveyor, as mutually agreed by Hirer and Owner, shall have issued an unconditional certificate of tow worthiness for the Tow and a determination that same is properly made up, provided always that the Owner shall be under no obligation to perform the towage contemplated until, and in his discretion, he is satisfied that that Tow is in all respects trimmed, prepared, fit, and ready for the towage.

(3) Independent Marine Surveyor (IMS) must have prior experience towing military cargo and completing the Comprehensive Tow Package IAW the U.S Navy Tow Manual. (1) Unless otherwise agreed, the Tug shall proceed with utmost dispatch to that port(s) or place(s) ordered by the Hirer in accordance with Box 3, and the Hirer shall there tender the Tow identified in Box 2. Upon completion of connecting the Tow and signing the necessary documents, the Tug and Tow shall proceed with utmost dispatch to the port(s) or place(s) of destination ordered by Hirer in accordance with Box 5 and there tender the Tow, which shall be accepted forthwith and taken over by Hirer. The precise ports or places of departure and destination shall always be safe and accessible for the Tug to enter, operate, and for Tug and Tow to leave, and shall be a place where Tug is permitted to, respectively, connect or release the Tow.

(2) Routing/Speed Orders. Should the Hirer issue routing instructions or orders to reduce speed, or should a military escort be agreed, any additional steaming time which results from said instructions, orders, or escort shall count as laytime or, if the Tug is on demurrage, as time on demurrage. In addition, the Hirer shall reimburse the Owner the cost of any extra fuel consumed as a consequence of any such delay at the market price where and when bunkers are next taken.

(f) **Notice of Readiness**

When the Tug has arrived at the ordered ports or places of departure or destination (or at the usual waiting place if the Tug cannot enter, berth, or approach the Tow by reason of any cause beyond Owner's control) and is fully ready to connect or release the Tow as applicable, a notice of readiness shall be tendered to the Hirer's representative at the port by the Tug Master or Owner's agent by letter, electronic mail, radio, or telephone. An oral notice shall be promptly confirmed in writing.

(g) **Laytime/Demurrage**

(1) Commencement/Resumption.

(i) First or sole port(s) or place(s) of departure or destination. Laytime shall commence at 0800 hours local time on the next working day SSHINC after the date of a notice of readiness properly tendered hereunder.

(ii) First discharge port. Laytime, or if the Tug is on demurrage, shall start or resume upon arrival designated destination port turnover site, upon tendering a proper notice of readiness and Tug is within one hour for which the tug turnover shall start.

(iii) Before laydays. Laytime shall not commence before 0800 hours local time on the commencing date identified in Box 4 unless the Hirer shall consent, in which case laytime shall commence upon Tug's arrival in berth and count as half time as used until 0800 hours local time on the commencing date.

(iv) Before laytime. Any time used from Notice of Readiness properly tendered until commencement of laytime shall count as half-time.

(v) After laytime. The notice time stipulated in subparagraph (ii) above shall apply irrespective of whether or not laytime shall have expired.

(2) Duration. The laytime stipulated in Box 4, in working days of twenty-four running hours weather permitting, shall be permitted free of expense to the Hirer for the purposes of tender of the Tow, acceptance of Tow at destination, connection of the Tow, release of the Tow, and for all other Hirer's purposes. At port or place of departure, said laytime shall continue to count until the Tug and Tow leave said port or place. At port or place of destination, said laytime shall continue to count until the Tug is free to leave said port or place.

(3) Time Excluded

(i) Notwithstanding any other provision of this contract to the contrary, time shall not count as laytime or, if the Tug is on demurrage, as time on demurrage, if such time is spent or lost:

(A) As a consequence of the breach of any of Owner's warranties contained in this contract and not due to the fault of the Hirer, or any other breakdown, inefficiency, or any other condition whatsoever preventing the fitness of the Tug for the service contemplated and not due to the fault of the Hirer;

(B) As a consequence of any negligence or default whatsoever affecting the working of the Tug by the Owner, Master, or crew of the Tug, including any labor dispute, labor disruption, strike, go slow, lockout, work to rule, stoppage, or restraint of labor of the Master or crew;

(C) As a consequence of the Owner or port authority prohibiting hookup or drop off of the Tow, or as a consequence of any other mandatory regulations;

(D) As a consequence of moving from a waiting place on an inward passage to the nominated port or place of departure or destination;

(4) Half-Time. Any time excepted from laytime by Box 4 shall, to the extent used, count as half time or, should the Tug be on demurrage, time excepted but so used shall be payable at one-half the demurrage rate.

(h) Insurance

(1) Requirement. During the currency of this contract, the Owner shall have in place marine insurance coverage on the Tug including Hull and Machinery; Protection and Indemnity

(P&I), including pollution (minimum coverage for damage to the Tow equaling USD 5,000,000.00 or the value of the Tow declared in Box 2, at Government's sole option declarable prior to the contract date); War Risk Hull and Machinery; War Risk P&I; Second Seamen's War Risk Policy (the principal sum of which shall be \$200,000.00 per Master, Officer, or crew member); and Broad Form Towage's Liability Insurance (minimum cover for damage to the Tow equaling USD 5,000,000.00 or the value of the Tow declared in Box 2, at the Government's sole option declarable prior to the contract date). Owner shall, when requested, furnish a Certificate of Insurance evidencing required coverage. Except as otherwise provided in this contract, the expense for such insurance coverages shall be for the Owner's account and shall be deemed to be included in the towage price payable under this contract.

(2) Trading Limits. If Tug is sent beyond the limits of American Institute Trade Warranties or Institute Warranties (as applicable to Owner's coverage) under this contract, Hirer agrees to reimburse Owner for the actual extra cost of additional premiums and/or increased deductible levels, to the extent incurred, properly assessed by the Tug's marine insurance underwriters and payable by the Owner, which extra cost is occasioned by the Tug's trading beyond such limits.

(3) Vitiation, Suspension, Lapse, or Termination. In the event any or any part of the insurance required by the above Paragraph III(h)(1) or provided under a governmental program shall become vitiated, suspended, lapsed, or terminated from any cause arising out of or as a result of orders, acts, or omissions of the Hirer or any persons properly acting for the Hirer, the Hirer shall indemnify the Owner against any loss, damage, or expense suffered or sustained by it as a result of such violation, suspension, lapse, or termination; however, Owner shall credit the Hirer with any savings in respect of such premiums from the time of such vitiation, suspension, lapse, or termination. The value of the Tug shall be the aggregate valuation of the Tug stated in the marine risk insurance policy, policies, or binders carried by the Owner on the contract date, or if no marine insurance was carried at that date, such valuation as shall be agreed up on by the Owner and the Contracting Officer (and a dispute of fact under the Contract Disputes Act of 1978, failing such agreement).

(4) Limitation of Owner's Liability. Except as otherwise specifically provided herein, the Hirer shall indemnify and hold harmless the Owner, Tug Master, and the Tug from losses, expenses, and liabilities proximately caused by compliance with any orders or directions of the Hirer or its representatives or employees except those properly chargeable to the Owner under other provisions of this contract or which are recoverable under any insurance carried by the Owner. The Owner shall as far as may be practicable keep the Hirer, through the Contracting Officer, currently informed in writing as to any oral orders (involving substantial delays, expense or risk to the Tug or her cargo), which have not been promptly confirmed in writing by the person giving such orders. The Hirer's liability shall not exceed 150% of the fair market value of the Tug at the time of the loss less whatever amounts are recovered from the underwriters or other parties. The fair market value shall be determined by the Contracting Officer and shall be deemed a dispute of fact under the Contract Disputes Act of 1978 if the Owner questions such determination.

(5) Limitation of Hirer's Liability. Except as otherwise specifically provided herein, the Hirer shall not be liable for any loss, damage, expense, cost, or liability whatsoever and howsoever incurred by the Owner or Tug which is recoverable under any insurance carried by

the Owner or which would have been recoverable under insurance required by Paragraph III(h)(1) herein had the Owner not elected to be a self-insurer in whole or in part.

(6) Notification to Hirer. Owner shall, to the maximum extent practicable, keep the Hirer, through the Contracting Officer, currently informed in writing as to the potential vitiation, suspension, lapse, or termination of any of Tug's insurance policies as a consequence of this contract.

(7) Availability of Funds. Any liability of the Government under this paragraph shall be limited to funds available in the Military Sealift Command's portion of the Navy Industrial Fund.

(8) Additional Assured/P&I Insurance for Charterer's Risks. The United States of America shall be named as an additional assured with waiver of subrogation under Owner's Tower's Liability Policy, Hull and Machinery Policy, War Risk Hull and Machinery policy, and Second Seaman's War Risk policy. Further, the contractor shall obtain P&I Insurance for Charterer's Risks with P&I War Risk coverage for the United States of America (as Hirer) covering all risks typically covered by P&I Insurance for Charterer's Risks.

(i) **War**

(1) Requirement. If Tug is ordered under this contract to any port, place, zone, or route involved in a state of war, warlike operations or hostilities, civil strife or piracy (whether there be a declaration of war or not), where it might reasonably be expected to be subject to capture, seizure, arrest, or hostile act by a belligerent power (whether de facto or de jure), it shall be unreasonable for Owner not to prosecute said voyage instructions if insurance against said risks is then available commercially or under a Government program, including but not limited to War Risk insurance available through MARAD, or if the Government offers owner an indemnity under Public Law 85-804 against losses that would be covered by such insurance. In the event of the existence of said risks, Hirer shall, to the extent provided in this paragraph (i), assume provable additional costs of wages (including all additional bonuses and payments required) and insurance and all taxes associated therewith properly incurred by Owner as a consequence of service under this contract.

(2) Additional Wage Costs. Hirer shall reimburse Owner for provable additional costs (including taxes associated therewith) incurred pursuant to this contract as a consequence of the risks identified in subparagraph (1) above for (i) wages of Master or crew and (ii) required payments or bonuses to Master or crew. However, any of said wages or payments shall not exceed in amount that which would be payable, under applicable laws and regulations, to U.S. Civil Service mariners in the employ of the Military Sealift Command in the same port, place, zone, or route.

(3) Additional Insurance Costs. Hirer shall reimburse Owner for provable additional costs of premiums and taxes associated therewith (over and above such costs in effect on the contract date) reasonably incurred pursuant to this contract as a consequence of the risks identified in subparagraph (i)(1) above in the Tug's War Risk Hull & Machinery policy, in the Tug's War Risk Protection & Indemnity policy, and in any war risk policy on the lives of or for injuries to the crew. Provided, however, that no proportion of additional premiums allocable to insuring an

amount in excess of the insured value of the Tug (as of the contract date) may be reimbursable by Hirer in respect of any of the foregoing war risk policies. Provided further that Owner may apply for and remit to Hirer as savings any rebates by reason of Tug trading in lower-premium war risk areas. Provided further that the United States of America may be named as an additional assured with waiver of subrogation noted under all of the foregoing war risk policies. Alternatively, with respect to any area(s) excluded by war risk exclusion zones (war, strikes, terrorism and related perils) listed areas under Owner's commercial war risk insurance coverage, in Hirer's sole option and at no cost to the Government, Hirer may delete this subparagraph (i)(3) with twenty-four hours' notice in which case the Government shall offer an indemnity under Public Law 85-804.

(4) Insurance Nonavailability. If no commercial or Governmental insurance is available for service under this contract covering the risks identified in subparagraph (i)(1) above, Tug shall not be required to enter or remain at any port, place, zone, or route subject to said risks; Hirer in such case shall have the right to order the Tug to other port(s) or place(s) consistent with Boxes 3 and 5 herein.

(5) Changes. Owner must immediately notify Hirer of any changes in the Tug's commercial war risk insurance, including but not limited to, extensions of war risk exclusion zones and increases in commercial war risk insurance premiums. Owners must secure Hirer's permission prior to entry into any commercial war risk exclusion zones before incurring liability for additional premiums.

(j) Salvage.

(1) In the event of the Tow breaking away from the Tug, the Tug shall stand by and render all reasonable services to reconnect the tow line and fulfill this contract of towage without making any claim for salvage.

(2) When engaged in the carriage of government cargo and if requested by Charterer, Owner agrees to accept Navy salvage services. Such services may be provided using Navy personnel and resources or Navy contracted resources.

(3) In providing such services, the Navy, through Charterer, agrees to waive all claims for "pure" or "bonus" salvage. Instead, Charterer shall be entitled to the following:

a. In those cases in which the salvage services are provided by Navy personnel and resources, the salvage claim shall be limited to a schedule of current per diem rates and allowable expenses as established by the Navy's Supervisor of Salvage. In no event shall such amount exceed a maximum claim of \$25,000 per day.

b. In those situations in which the Navy utilizes contracted resources to deliver assistance, Owner shall be liable for the actual daily rate charged to the Navy by the contractor(s).

(4) It is understood that this limited Supervisor of Salvage claim is asserted against the vessel only, is solely for the vessel's account, and does not include any amounts for the salvage of the Government's cargo. Notwithstanding any other provisions of this contract, this limited Supervisor of Salvage claim IS NOT directly or by way of setoff chargeable in whole or in part to the Government by way of general average or otherwise.”

(k) **Position Reports.**

Position reports shall be issued by electronic mail: Vessel shall provide position/status report in port twice daily at 0000Z and 1200Z and at-sea four times daily at 0000Z, 0600Z, 1200Z, and 1800Z. Additionally, Position/Status Reports shall also be sent upon arrival port, upon departure port and at other times requested by the applicable MSC Area Command for Force Protection reasons. Reports shall be sent to the following email addresses: mschq.bwc.fct@navy.mil , msc.cop.fct@navy.mil, iben.gantt@navy.mil, timothy.c.vickers@navy.mil, richard.appling@navy.mil, bernie.donathan@navy.mil, and bob.gregory@navy.mil

(l) **Nature of Contract.** This contract is for towage services and shall not be construed as a charter of the Tug.

(m) **Statutory Exemptions.** Any provisions of this contract to the contrary notwithstanding the Owner and the Tug shall have the benefit of all limitation of and exemptions from liability accorded to the Owner or demise Hirer of vessels by any statute or rule of law for the time being in force.

(n) **Permits and Certification.** Apart from the certificate or tow-worthiness, Hirer shall arrange for its (Hirer's) account and provide the Owner all necessary licenses, authorizations, and permits required by the Tug and Tow to undertake and complete the towage contemplated, together with all necessary certification for the Tow to enter or leave any or all ports of call or refuge on the contemplated voyage. Any loss or expense incurred by the Owner by reason of the Hirer's failure to comply with this paragraph shall be reimbursed by Hirer to the Owner, and any delays caused thereby shall be compensated at the demurrage rate stipulated in Box 17.

(o) **Riding Crew.** In the event Owner provides a riding crew for the Tow, such crew and their suitability for the work shall be at the Owner's discretion with all expenses therefor for Owner's account, and the same shall not be deemed to be servants, agents, or employees of the Owner.

(p) **Cancelling**

(1) **Late Notice of Readiness.** If a valid notice of readiness as required under this contract is not tendered by 1700 hours local time on the cancelling date identified in Box 6 at the port or place ordered, the Hirer shall have the right to cancel this contract at no cost to the Government. Hirer's right to cancel this contract as above shall be exercised by notification to the Owner within twenty-four (24) hours after 1700 hours local time on the cancelling date identified in Box 6, should the notice of readiness not be tendered by the time Hirer makes said notification.

(2) **Declaration of Cancellation Option.** If it shall become clear to Owner that the Tug will be delayed in arrival beyond the cancelling date identified in Box 6, Owner may, at the earliest

seventy-two (72) hours before the Tug is due to sail for the loading port or place, but as soon thereafter as they are in a position to state a new date of readiness with reasonable certainty, the Owner shall advise the new date and ask Hirer whether the option of cancellation will be exercised. Hirer's option to cancel must then be declared within ninety-six (96) hours (but not later than twenty-four (24) hours after the cancelling date identified at Box 6). If Hirer shall not cancel this contract upon such notice within such time limits, then, unless otherwise agreed, Box 6 shall be deemed amended such that noon on the new readiness date shall become the commencing date and noon on the third day after the new readiness date shall become the new cancelling date.

(3) Reservation. The exercise or nonexercise by Hirer of the cancellation option shall not prejudice any claim or right which Hirer may otherwise have against Owner.

(q) Ice

(1) General. The Tug shall not be ordered or bound to enter any port or place inaccessible due to ice, or at which lights, lightships, markers, or buoys on Tug's arrival are (or are likely to be) withdrawn by reason of ice. The Tug shall not be obliged to force ice.

(2) Responsibilities. If a nominated port or place is inaccessible due to ice, the Master shall immediately notify Hirer requesting revised orders and shall remain outside the ice-bound area. If there is danger of the Tug being frozen in at any nominated port or place, the Tug shall, at Tug Master's discretion, proceed with the Tow to the nearest safe and ice-free position, at the same time requesting Hirer's revised orders. If such nominated port or place in question is:

(i) The port or place of departure and the Tow has not been connected, Hirer shall have the option of nominating an alternative port or place of departure, or of cancelling this contract;

(ii) The port or place of destination, Hirer shall have the option of nominating an alternative port or place of destination, or of ordering the Tug to wait at a safe port or place off the nominated port until it can safely be entered.

(3) Consequences. If in the exercise of Hirer's rights under this paragraph:

(i) The contract is cancelled, time lost during the period from when the request for revised orders was received by Hirer, or from the time when the Tug arrived and gave notice of readiness (whichever is earlier), until the time when Owner received notice of such cancellation shall count as laytime or, if the Tug is on demurrage, as time on demurrage; further, the cost of any fuel consumed during said period to be reimbursed at the market price where and when bunkers are next taken, less the value of the Tug's in-port bunker consumption during said period;

(ii) The voyage is changed, towage price shall nevertheless be payable for the voyage that would have been performed but for such change, but increased or reduced to compensate for the increase or reduction in voyage costs. Such increase or reduction in voyage costs shall be calculated by reference to: (a) the change in voyage time (valued as time on demurrage; and to

include any time awaiting revised orders); (b) the change in bunkers consumed (valued as provided at subparagraph (i) above); and (c) the change in port charges incurred;

(iii) The Tug tenders the Tow at the nominated port or place of destination, this shall be at Hirer's risk, and the whole period from the time the Master's request for revised orders was received by Hirer until the Tug can safely depart after releasing the Tow shall count as laytime.

(iv) Any loss or damage is caused to the Tug by ice which would be recoverable under the terms of a full-force marine hull insurance policy, but which is excluded from such policy by American Institute Trade Warranties or Institute Warranties (as applicable to Owner's coverage), shall be made good by the Hirer to the extent not covered by insurance.

(r) **Quarantine**. If at the time of Hirer's nomination of a port, quarantine is in force at the nominated port, any time thereby lost by the Tug on account of quarantine shall count as laytime or, if the Tug is on demurrage, as time on demurrage. If, however, quarantine comes into force at such port or place after its nomination, only one-half of the time thereby lost by the Tug shall count as laytime, but full time shall count for demurrage if the Tug is on demurrage upon its arrival in such port or place.

(s) **Amended Jason Clause**. In the event of accident, danger, damage, or disaster before or after commencement of any voyage under this contract resulting from any cause whatsoever, whether due to negligence or not, for which or for the consequence of which the Owner is not responsible by statute, contract, or otherwise, Hirer, the Tow, shippers, consignees, or owners of the Tow shall contribute with the Owner in general average to the payment of any sacrifices, losses, or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the Tow. If Receiving Reports are required, ensure that the "Inspection" and "Acceptance" defaults of "destination" for both fields are not changed in the WAWF online interface.

The CLINs on the WAWF invoice shall be entered exactly as set forth in the contract document including CLIN number (e.g. 0001), Quantity (may be adjusted for actual quantity or dollar value delivered and invoiced), and Unit Price (e.g. \$1.00). The dollar amounts on each CLIN or SubCLIN on the WAWF invoice shall reflect final performance values, but in no instance can the dollar amount for each CLIN or SubCLIN exceed what is specified in the contract document. The Contractor shall bill to the lowest level, e.g., the SubCLIN level. **The Quantity and Unit of Measure fields must be filled out exactly as indicated in the CLINs and SubCLINs to reduce the possibility of the invoice being delayed or rejected during processing.**

Before closing out of an invoice session in WAWF, but after submitting the document or documents, the Contractor will be given the option to send additional email notifications by clicking on the “Send More Email Notifications” link that appears on the page. The Contractor shall click on this link and add the Technical Point of Contact’s (TPOC) or Contracting Officer’s Representative’s (COR) email address in the first email address block and add any other additional email addresses desired in the following blocks. This additional notification to the Government is important to ensure the acceptor/receiver is aware that the invoice documents have been submitted into the WAWF system.

PART VIII. INSTRUCTIONS TO OFFERORS

(1) FAR 52.212-1 Instructions to Offerors—Commercial Items (NOV 2021) (tailored pursuant to FAR 12.302(a)).

(a) North American Industry Classification System (NAICS) code and small business size standard. The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet ([SF 1449](#)). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) Submission of offers. (Tailored) Submit signed and dated offers to the point of contact specified in Block 7 of the SF 1449 at or before the exact time specified in this solicitation. Offers may be submitted on the [SF 1449](#), letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show—

(1) The solicitation number.

(2) Reserved (Tailored).

(3) The name, address, and telephone number of the offeror;

(4) A technical description of the items being offered in sufficient detail to evaluate compliance with (or acknowledgement of, as appropriate) the requirements in the solicitation. This may include product literature, or other documents, if necessary. (Tailored).

(5) Terms of any express warranty.

(6) Price and any discount terms.

(7) “Remit to” address, if different than mailing address.

(8) A completed copy of the representations and certifications at FAR 52.209-7 Information Regarding Responsibility Matters; FAR 52.209-11 Representation by Corporations Regarding an Unpaid Delinquent Tax Liability or a Felony Conviction Under any Federal Law; FAR 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically); (Tailored)

(9) Acknowledgment of Solicitation Amendments.

(10) Reserved.

(11) If the offer is not submitted on the [SF 1449](#), include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(12) Subcontracting Plan. (Tailored) In accordance with FAR 52.219-9 and DFARS 252.219-7003, large business offerors shall submit a Small Business Subcontracting Plan with their proposal. Offerors shall ensure that they submit a Small Business Subcontracting Plan with all of the information required by FAR 52.219-9.

For large businesses, unless determined that sub-contracting possibilities do not exist, the Government will evaluate the Small Business Subcontracting Plan in accordance with FAR 52.219-9. Failure to submit and negotiate a subcontracting plan acceptable to the Contracting Officer will make the offeror ineligible for award of a contract.

A subcontracting plan is NOT REQUIRED from small business concerns and will not be evaluated.

(13) Form of Submission. (Tailored) Proposals may NOT be submitted via telex. Proposals/extensions may be submitted via e-mail in Adobe Acrobat (.pdf) format, and must be compatible with Adobe Acrobat Reader 8.0 or later version. Offerors are advised that the Government may be unable to receive other types of electronic files (e.g., .zip files) or files in excess of 20 megabytes. Proposals/extensions must contain either a verifiable electronic signature (e.g. PKI enable certificate), or a scanned image of the handwritten signature of the Offeror or Offeror's authorized agent. Note: Unsigned offers will not be considered for award. Offerors are advised that delays in the receipt of e-mail do occur. The Offeror is solely responsible for timely receipt of offers by the Government regardless of any problems or delays related to computer hardware or software systems including, but not limited to, servers and firewalls. The timestamp of the Offeror's sent e-mail shall not be construed as sufficient documentation of the Government's receipt of an e-mailed offer. An E-mail proposal that resides on a Government server, but has not appeared in the designated E-mail inbox by the due date and time for proposal submission will be considered late. Due to increased e-mail security, it may take longer for e-mails to be received in the appropriate in-box, especially when an e-mail is hosted in a foreign country; some e-mails are delayed in excess of hours. Offerors are encouraged to submit offers as soon as possible. Alternately, proposals/extensions may be faxed or mailed/carried to the address shown in Box 9 on the SF 1449.

(14) (Tailored) Any other characteristics/details not shown in Part I that are pertinent to the Government's evaluation factors.

(15) (Tailored) A valid submission consists of at least a ship name, a price, and a signature; without these at a minimum, your submission will not be considered for evaluation and award.

(c) Period for Acceptance of Offers. (Tailored) Unless offeror proposes a shorter period, by submission of an offer, offeror agrees that its offer, including any timely revisions thereto, shall remain valid until the Government makes award under this solicitation. The foregoing does not preclude an offeror from withdrawing its offer prior to award.

(d) Vessel Substitution. (Tailored) No proposed substitution will be permitted by Charterer during the procurement solicitation process after the date and time for offers has passed except when such substitution is made as part of a revised offer during a period in which the solicitation is reopened or when such substitution is made as part of a final proposal revision.

(e) Multiple offers. Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) Contract award (not applicable to Invitation for Bids). The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple awards. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation.

- (1)(i) The GSA Index of Federal Specifications, Standards and Commercial Item Descriptions, FPMR Part 101–29, and copies of Federal specifications, standards, and product descriptions can be downloaded from the ASSIST website at <https://assist.dla.mil>.

- (j) **Unique Entity Identifier (UEI).** (Applies to all offers exceeding \$3,500, and offers of \$3,500 or less if the solicitation requires the Contractor to be registered in the System for Award Management (SAM).) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation “Unique Entity Identifier” followed by the unique entity identifier that identifies the Offeror's name and address. The Offeror also shall enter its Electronic Funds Transfer (EFT) indicator, if applicable. The EFT indicator is a four-character suffix to the unique entity identifier. The suffix is assigned at the discretion of the Offeror to establish additional SAM records for identifying alternative EFT accounts (see [subpart 32.11](#)) for the same entity. If the Offeror does not have a unique entity identifier, it should contact the entity designated at www.sam.gov for unique entity identifier establishment directly to obtain one. The Offeror should indicate that it is an offeror for a Government contract when contacting the entity designated at www.sam.gov for establishing the unique entity identifier.
- (k) **Reserved.**
- (l) **Debriefing. (Tailored)** If a post-award debriefing is given to requesting offerors, a written de-brief including all the debrief-required information will be provided. The offeror will be permitted to submit additional questions within two business days after

receiving the written debrief from the Government. The Government shall disclose the following information, if applicable:

- (1) The agency's evaluation of the significant weak or deficient factors in the debriefed offeror's offer.
- (2) The overall evaluated cost or price and technical rating of the successful and debriefed offeror.
- (3) The overall ranking of all offerors, when any ranking was developed by the agency during source selection.
- (4) A summary of rationale for award;
- (5) For acquisitions of commercial products, the make and model of the product to be delivered by the successful offeror.
- (6) Reasonable responses to relevant questions posed by the debriefed offeror as to whether source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the agency.

(m) Service of Protest. (Added) Protests, as defined in FAR 33.101, that are filed directly with an agency, and copies of any protests that are filed with the General Accounting Office (GAO), shall be served on the Contracting Officer (addressed as follows) by obtaining written and dated acknowledgment of receipt from the Contracting Officer. The mailing address is the same as that stated in Box 9, SF 1449. Interested parties may request an independent review of their protest as an alternative to consideration by the Contracting Officer or as an appeal of the Contracting Officer's decision on their protest. See FAR 33.103. Requests for independent review shall be addressed to:

Director, Contracts & Business Management Directorate, Code N10
Military Sealift Command
471 East C Street, Bldg. SP-64
Naval Station Norfolk
Norfolk, VA 23511-2419

MSC encourages potential protestors to discuss their concerns with the Contracting Officer prior to filing a protest. The copy of any protest shall be received in the office designated above within one day of filing a protest with the GAO.

(n) FAR 13.5 Acquisition. (Added) This procurement is a FAR Part 12 acquisition being conducted under FAR 13.5 Simplified Procedures for Certain Commercial Items. Accordingly, simplified acquisition procedures apply. After receipt of proposals the Government may, with or without notice, negotiate with and, if desired, seek proposal revisions from as many or as few offerors as it, in its discretion, deems appropriate.

(o) Classified Requirement.

Owner/Offeror shall acknowledge the existence of the classified requirement in this solicitation.

1. Owner/Offeror or their representative, with appropriate security clearances in place, must submit to the contracting officer a request to review the classified requirement within one business day of the issuance of this solicitation and then must then make the necessary arrangements at their expense to view the classified requirement at appointed place and time provided, which must be prior to the solicitation response date and time. The opportunity to review the classified requirement will be lost if the contracting officer does not receive a request on time or if the Owner/Offeror misses the appointment. There is no requirement to review the classified requirement prior to submitting an offer. Not reviewing the requirement prior to submitting an offer will not in and of itself render an offer ineligible for award.
2. Offers will be considered against this requirement before any other evaluation. An offer found not acceptable with this requirement will not be further evaluated. Owner/Offeror will be notified if their offers were excluded because of this requirement.

(2) FAR 52.215-5 Facsimile Proposals (Oct 1997)

(a) Definition.

Facsimile proposal, as used in this provision, means a proposal, revision or modification of a proposal, or withdrawal of a proposal that is transmitted to and received by the Government via facsimile machine.

- (b) Offerors may submit facsimile proposals as responses to this solicitation. Facsimile proposals are subject to the same rules as paper proposals.
- (c) The telephone number of receiving facsimile equipment is 757-341-5745.
- (d) If any portion of a facsimile proposal received by the Contracting Officer is unreadable to the degree that conformance to the essential requirements of the solicitation cannot be ascertained from the document --
- (1) The Contracting Officer immediately shall notify the offeror and permit the offeror to resubmit the proposal;
 - (2) The method and time for resubmission shall be prescribed by the Contracting Officer after consultation with the offeror; and
 - (3) The resubmission shall be considered as if it were received at the date and time of the original unreadable submission for the purpose of determining timeliness, provided the offeror complies with the time and format requirements for resubmission prescribed by the Contracting Officer.
- (e) The Government reserves the right to make award solely on the facsimile proposal. However, if requested to do so by the Contracting Officer, the apparently successful offeror promptly shall submit the complete original signed proposal.

(3) FAR 52.212-1 (Addendum) Additional Instructions to Offerors—Commercial Items

(a) Questions.

Questions regarding the solicitation will be accepted up until the time that proposals are received. Questions received later than 2 working days prior to closing may not be answered.

PART IX. FAR 52.212-2 EVALUATION - COMMERCIAL ITEMS (OCT 2014) (tailored pursuant to FAR 12.302 (a)) – SPOT CHARTER

(a) Award will be made, if at all, resulting from this solicitation to the responsible offeror (see Note (1) below) whose technically acceptable proposal represents the lowest price to the Government. If this RFP includes DFARS 252.247-7026, then this evaluation scheme is subject to the next paragraph.

If 50% or more of the cost of overhaul, repair, and maintenance work of an offeror's "covered vessel[s]" (see definition at DFARS 252.247-7026(a)) has been conducted within a U.S. shipyard during the period covering the current calendar year through the date of proposal submission, plus the preceding four calendar years, then the offeror is in "Category 1." All other offerors are in "Category 2." Award will be made, if at all, for the low price, technically acceptable "Category 1" offer. If no such offers exist, then award will be made, if at all, to the lowest price, technically acceptable, "Category 2" offer. the highest VISA priority. This evaluation scheme will continue, with "Category 1" offers within a particular VISA priority level having preference over "Category 2" offers within the same preference level. If two or more offers exist in the same VISA priority as set forth in Sec. III.A.3. of VISA, award will be made to the lowest price, technically acceptable offeror in the highest category of domestic shipyard usage.

NOTE (1): It is emphasized that as an integral part of the award selection a responsibility determination of the offeror will be made in accordance with FAR Part 9.104. Within this determination, the Government will only consider an offeror responsible if it presents a viable, continued capacity to fully provide the contracted services in accordance with the charter, regardless of operating conditions (e.g., conflict or contingency operations). This will be determined using the factors shown in FAR Part 9.104, to include 1) experience, 2) operational controls, 3) technical skills, and 4) ability to comply with required delivery schedule.

(b) In selecting the lowest-priced, technically acceptable offer, the following factors will be considered:

Technical
Price

In compliance with Cargo Preference, the Contracting Officer may elect to only evaluate U.S. flag vessels, to include current U.S. flag vessels and vessels to be U.S. flag upon delivery.

Offers will be evaluated to determine if the vessel complies with the classified requirement.

(c) Technical. The offeror's proposal will be evaluated based on technical capability of the vessel(s) proposed per the requirements outlined in Part I, TUGCON Boxes 1 through 6. Owner/Offeror shall address all items of Boxes 1 through 6 for evaluation purposes.

(d) Reserved.

(e) Price. The evaluated price will be computed based on the lumpsum freight rate plus one day demurrage plus any other costs set forth in the offer. The proposed price must be determined to be fair and reasonable.

(f) Subcontracting Plan (if required): For large businesses, the Government will evaluate the Small Business Subcontracting Plan in accordance with FAR 52.219-9. Failure to submit and negotiate a subcontracting plan acceptable to the Contacting Officer will make the offeror ineligible for award of a contract.

(g) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(h) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(i) Solicitation Compliance. The offeror's proposal will be reviewed for compliance with the submission requirements outlined in Part VIII(b)(16). Failure to provide any of those submission requirements may result in a proposal being not eligible for award.

PART X. OFFEROR REPRESENTATIONS AND CERTIFICATIONS REQUIRED BY FAR

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]*

(1) *Listed end products.*

|

(2) *Certification. [If the Contracting Officer has identified end products and countries of origin in paragraph (i)(1) of this provision, then the offeror must certify to either (i)(2)(i) or (i)(2)(ii) by checking the appropriate block.]*

☐ (i) *The offeror will not supply any end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product.*

☐ (ii) *The offeror may supply an end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product. The offeror certifies that it has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any such end product furnished under this contract. On the basis of those efforts, the offeror certifies that it is not aware of any such use of child labor.*

(j) *Place of manufacture.* (Does not apply unless the solicitation is predominantly for the acquisition of manufactured end products.) For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly-

(1) ☐ In the United States (Check this box if the total anticipated price of offered end products manufactured in the United States exceeds the total anticipated price of offered end products manufactured outside the United States); or

(2) ☐ Outside the United States.

(k) *Certificates regarding exemptions from the application of the Service Contract Labor Standards* (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) [The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]

(JUN 2020)**

(a) *Definitions.* As used in this provision—

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in [26 U.S.C. 7701\(a\)\(30\)](#) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the [26 U.S.C. 5000C](#) tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under [26 U.S.C. 5000C](#), the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that—I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then—

(1) The clause at FAR [52.229-12](#), Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR [52.229-12](#), Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

(End of provision)

(9) FAR 52.209-5 Certification Regarding Responsibility Matters (AUG 2020)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that—

(i) The Offeror and/or any of its Principals—

(A) Are ☐ are not ☐ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ☐ have not ☐, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see [52.209-7](#), if included in this solicitation);

(C) Are ☐ are not ☐ presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision;

(D) Have ☐, have not ☐, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) *Examples.*

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has ☐ has not ☐, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.
